4. Business arising from the minutes of the previous general meeting

Discussed cost of terracotta pots etc from Bunnings. Costed 100 terracotta pot, plus paints, paint trays etc (\$515)

Looked at what Bunnings procedure for asking for a donation, the time frame (how much notice) and what we would like them to provide.

The idea would be to have 100 pots The students painting pots as a lunchtime project. We could ask Bunnings for an initial pot paint workshop at the school.

What plants could be used? Split peace lilies, herbs and succulents. Cast iron plant in bigger pots. Could get a mixture of sizes. Pots could be painted by Ag and Art students early in Term 2.
