## Out-of-Uniform response

Students unable to wear an item of the uniform correctly or wearing inappropriate accessories (jewellery, piercings etc.) will be managed through the following guideline:

Students not wearing correct uniform should report to their relevant Form Teacher at the beginning of Form Class.

- **Provide a note from home**, explaining the variation to uniform and period for which the condition will exist.
  - A correction may be offered, a loan of uniform. Refusal of the correction/removal may result in further consequences
  - A uniform notation will be made, indicating that the uniform variation has been seen, and therefore no further consequences need to be issued or a detention may be issued if reason not appropriate.
- **Without a note from home**
  - a consequence may be applied for the violation, along with a correction or confiscation option.
  - Where correction or confiscation option is unavailable, parents may be contacted to arrange alternative options, this may include collection of the student.

Students wearing inappropriate Jewellery or Accessories

- Students will be asked to attend the office, for the removal of jewellery and accessories for confiscation and collection after 3.05pm from the office. Refusal or non-attendance at the office for the correction or removal may result in further consequences

Continued non-compliance with The FGSHS Uniform Policy with insufficient reason will result further in person follow up with parents, there options will be discussed.

## Coloured Hair

Students hair colour must be natural looking, students that present to school with un-natural hair colours will be referred to the office for contact home, options will be discussed with parents/carers.

## Senior Jerseys

Each year, Year 12 students have the opportunity to purchase a senior jersey and/or jacket, which is designed and organised by a team of Year 12 students under the leadership of the Year Coordinator. These senior jerseys are designed as a memento of the students' senior year and can be worn to school once they are received with any of the uniform sets

## Non-Uniform Days

Non-Uniform Days are organised by the SRC and are generally held once per term.

- Students participating are expected to give a "gold coin" donation on each day to assist with fundraising activities.
- For health and safety reasons, footwear needs to be closed-in, covering toes and heels. Students are not to wear thongs, scuffs or open toe shoes,
- Tank tops, crop tops or singlets are not acceptable
- T-shirts with inappropriate slogans are unacceptable
- Shorts or skirts must be at least mid- thigh length.
