

Year 10 Drama

Intention – Development of skills for circus unit

Tasks-

1. With the juggling balls and the other circus equipment on loan from school, spend time everyday developing skills.
2. Use youtube links as per onenote on youtube to view experts demonstrating the skills.
3. Choose one video to analyse in 100 words in relation to the elements of comedy. (as per handout)
4. The key focus of your learning needs to be practical so practice, practice and practice.
5. Read and complete worksheets about types of clowns and the commedia del arte characters.
