Hello and welcome to Ferry Grove High School!

Working in partnership with the school, the Parents and Citizens Association provides parents unique opportunities to be involved with their children and the school community. Volunteering for the P&C strengthens your relationships with your child, teachers, other parents, and is rewarding on many levels.

Did you know?

Our Canteen, **Eats @ The Grove**, has undergone a complete renovation. Our fully air conditioned canteen, complete with a state of the art commercial kitchen provides breakfast morning tea and lunch to our students and staff. Our menu, is both contemporary and nutritious and we are thrilled to welcome the students to our newly improved services.

Eats @ The Grove are currently looking to recruit additional volunteers for the 2017 school year. To help cater for our schools growing cohort, we are developing a new roster of volunteers to assist us.

If you have interest or experience in hospitality, food or the school community, then **Eats @ The Grove** is for you! It's a great way to gain new and valuable skills, meet other parents, and to be an active member of the Ferry Grove State High School community.

We are looking for volunteers that have an interest in acquiring these skills...

- Food (hey, being a foodie is a respectable pursuit!)
- Hospitality and customer service
- Cooking techniques and food styling
- Handling stock and stock replenishment
